

1000 Books Before Kindergarten Club

Welcome! This program is for kids from birth until the start of Kindergarten. The goal is to encourage you to read 1000 books with your child before the start of school. Not only does this provide a solid reading foundation, and encourage school success, but it's also a lot of fun!

Here's what to do:

1. Pick up your free book bag filled with Reading Logs.
2. Read together.
3. Fill in a flower seed on your Reading Log for every book read. Feel free to read a book more than once. The books read at daycare or storytime count too!
4. When you finish 100 books, bring your Reading Log to the library. Then, your child:
 - Receives a fun 1000 Books sticker
 - Can place a colorful sticker on our 1000 Books Wall
5. After finishing 1000 books, your child:
 - Receives a free book and a small prize
 - Has their photo and name placed on our "Growing Readers" display
 - Gets a head start on being successful in school!

The club has no end date, except when your child starts Kindergarten, so enjoy the experience! By reading just 3 stories a day, you and your child will have read over 1000 books in 1 year. Happy reading!
